Bridal Shower Poem

This is a rather peculiar game
it really does not have a name
It is simple to play as a game should be
You just do as you're told, you see
So now if you'll please give me your attention
We will put an end to the suspicion
In the end whoever scores the most
Will receive a prize of which to boast
Now since you are all fashionable girls
Give yourself 5 if your wearing pearls
You may add 3 if your toes peek out
Add earring and we will give you 3 more to shout
Score yourself 5 if you show any red
Add 6 more for a curl on your head
Now before you think your are going to win
take away 2 for the purse you brought in
Give yourself 6 if your pants are tight
Add 1 for a scarf that is just about right
Add 5 more if your shoes are black
And take away 3 for a zipper in back
Noe count all your buttons for each you get 2
And take away 1 for each button that is blue
Give yourself 5 for your heels that are high
and why not add 10 for the green in your eye
10 more points for a rose on your clothes
Take away 5 if your did not wear hose
If your husband kissed you today add 9
If you didnt subtract 12 your subject to fine
This is the end, there is not anymore
So who is the lucky lady with the highest score?!
